Near the end of each phase, there is a diamond that has to be picked up by Mr. Stevenson. While collecting all the diamonds, Mr. Stevenson must face many obstacles. STARTING POSITION AND TIME PROGRESS

The game starts from the beginning of each phase. If Mr. Stevenson is "done in" by one of the enemy half way through a phase while he has extra lives left, he does not have to go all the way back to the beginning.

When the play starts, the clock in the upper left corner of the screen starts the count down. If the clock reaches 0:00, time has run out and you lose 1 life.

DIAMONDS

There is one diamond in each phase except in phase 4 which has 2. Unless all 5 diamonds are picked up, you will not be able to enter King Dom's hide-out and rescue Jennifer.

BASIC OPERATION

Use the Zapper to shoot down all the obstacles that come flying toward Stevenson.
